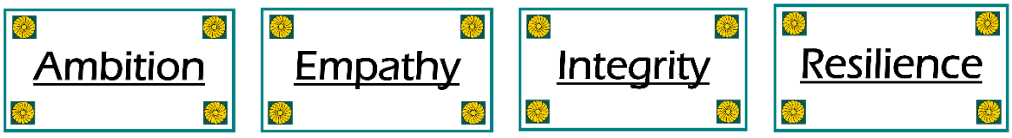
Herrick Primary School – Governor Profile

'To give each and everyone a chance'


Name of Governor	Reena Kapadia
Governor Category	LA Governor
Area(s) of Responsibility	
Professional Background	I work for Leicester City Council
School Governance Experience	I have been a governor for a number of years, attending governor meetings and school visits. I have recently sat on some panels and in this capacity I have worked with the intention of supporting meeting the needs of the pupils and the school.
Hobbies and Interests	
Links to the Local Area	I had lived in Rushey Mead until recently with my family for a number of years. I have family living in the local area and so visit the area regularly.
Reasons for becoming a Governor at Herrick Primary School	I initially joined the governing body as a parent governor, as both of my children attended Herrick Primary school. When they left the school I wanted to stay on as this is a fantastic school and I believe in this role I can support the achievements of the school and its pupils.
