

Harvest Festival – Donations

As part of our Harvest celebration, we as a school would like to remember two of the values of our Herrick Character.

Citizen – Member of the community

&

Empathy – Helper of others.

We are reaching out for your generosity and help, to be a better member of the community & helper of others, by asking for food donations.

Any form of dried food, pasta, rice, noodles, biscuits or tinned goods would be greatly appreciated. **No Nuts or Chickpeas**

Last date for donations is 29th September 2023

All items donated will be collected and distributed by The Salvation Army.

Donations will be happily received by the school office.

Thank you for generosity and kindness

Herrick Primary School
